# Information

November 21–23, 2010

Planning for the I.T.O.A.'s 23<sup>rd</sup> Annual Training Conference is nearing completion. The conference will be held November 21–23, 2010.

Remember that registration is limited, therefore registration will be accepted on a first-come, first-served basis. Registration must include your payment (check, charge card information, or department purchase order). Conference registrations will be accepted until Monday, November 1, 2010 (or until maximum capacity is reached), whatever comes first.

There will be no registrations accepted after this date and there are No Walk-Ins at the conference. A confirmation will be mailed to you upon receipt of the above. Again register early, so that you won't miss this outstanding training event.

As in past years, conference attendees will be able to attend special presentations on Sunday afternoon. Also, vendors will be set up on Sunday afternoon to participate in Vendor Appreciation Night which will follow

the presentations. The day is capped by the I.T.O.A.'s Hospitality Room. Don't miss this first day of the conference.

Monday begins with our annual business meeting that includes an election of officers. After the opening speaker and the main presentation, attendees again will enjoy the conference's break-out sessions that last 90 minutes each. These sessions include a variety of topics for the attendee to choose from. Seating at these sessions is on a first-come, first-served basis. The evening includes our annual training banquet with another outstanding speaker and of course the always friendly and informative hospitality room.

Tuesday will continue with the break-out sessions by our outstanding presenters.

Our organization continues to grow, and our conference is always at maximum capacity. Don't take a chance of missing out on this great training opportunity, register early. We look forward to seeing you there.

2010 Conference Committee—Joe Gallo, Ed Mohn and Greg Poulos.
