TRAINING ANNOUNCEMENT

Tactical Precision Long Rifle 2

August 23 – 27, 2010

Camp Atterbury, IN

Co-Hosted By

Fishers Police Department

Course Content

Police and/or SWAT long rifle personnel who possess a working knowledge of their equipment (rifle/optics) and the ability to apply basic fundamentals with assigned department equipment are encouraged to advance their skills in this course. Prior successful completion of a basic precision marksman course is recommended. From cold bore considerations of a basic long rifle deployment and coordinated fire, this course employs a realistic training regimen that trains and test participants to their potential. The course will begin with a practical application of the basic marksmanship skills. Students must successfully complete at least one of the 3 presented qualification type courses of fire.
